Message sent on behalf of Grethe Woodward:

Dear All

I hope you are safe and well.

Guidance from OFQUAL and Awarding Organisations has been issued to curriculum teams over the past few weeks on how to calculate grades and rank students with deadlines for each activity. The attached timeline provides a summary of that guidance with links to relevant detailed documents. The deadlines are tight and vary by Awarding Organisations, a few Awarding Organisations are yet to release their deadlines. We have included details of these in the attached.

Once OFQUAL publish their outcomes to the consultation on 22nd May a number of Awarding Bodies will then confirm their key dates and I will provide you with an updated timeline.

I am aware that you have commenced work on calculating grades and ranking students. Thank you for your efforts to get this work done in a timely fashion.

Best Wishes
