Please note: As this is a training college students may take longer; you are advised to take this into consideration and your patience is appreciated. Some electrical treatments pass a current through the body, this is not suitable for pregnant women, persons living with a pacemaker and some medical conditions.

During the consultation with a therapist, please inform us of any condition that may affect the treatment result.

DISCLAIMER:

Skin tests are mandatory for all colour services and selected beauty treatments, and services cannot be carried out without an up-to-date skin test. As part of assessment requirements, students may need to photograph their work for portfolio evidence; photographs will be used solely for assessment and portfolio purposes. If you do not wish to be photographed, please speak to a lecturer in advance, as this may limit the service available to you. Appointment times are provided as a guide only and cannot be guaranteed.
