The Chair welcomed those present to the first Corporation meeting of United Colleges Group (UCG) and drew attention to the following:

- The post-merger integration work which commenced on 1 August 2017: the Chief Executive Officer would be reflecting upon the first 100 days during Item 16 of the meeting agenda;
- The decisions by two members of the senior leadership team at College of North West London (CNWL) to leave the college at a late stage in the merger process: the Chair wished them well in pursuing other interests away from the college;
- The lengthy induction process undertaken by the Chair over the past few weeks;
- A meeting between with the Chair and CEO of Ealing, Hammersmith and West London’s College which was also attended by UCG’s CEO;
- A meeting with the Chair of Waltham Forest College who is acting as his mentor
- Work undertaken with the CEO and external consultant in relation to the Strategy Day which would be held at Buzzacott LLP’s office on Saturday, 14 October 2017;
- His intention to attend the AoC Annual Conference and the AoC Governors Event in November 2017;
- Ben Humpage’s resignation as a Staff Member of the Corporation: Members expressed their thanks for his input and noted that an election would be held to fill this vacancy on the Corporation.

Members discussed the most effective way in which they might communicate with each other outside meetings. The Clerk drew attention to risks associated with use of social media, such as Facebook. It was agreed to communicate via email for main business whilst the Chair would provide brief updates via WhatsApp, with the matter to be reviewed at the next meeting.

The Chair’s Report was noted.

6. Committee Meeting Reports

[Brenda Goring Moore joined the meeting.]

The Clerk provided an update on the following Committee business which did not feature on the Corporation meeting agenda:

- Search and Governance Committee meeting held on 20 September 2017: the Committee reviewed the Governance Risk Registers for the legacy colleges which would be presented at the next Audit Committee meeting;
- Finance and General Purposes Committee meeting held on 4 October 2017: the Committee noted the following:
CONFIRMED MINUTES

* Marketing and Public Relations Media Report: there was a co-ordinated campaign across college sites;
* Financial Support for Learners – End of Year Report 2016/17: this report related to CWC and the Committee noted that there had been no issues;
* ICT Report: this report outlined the progress made against the legacy colleges’ IT priorities, and plans to set up an IT Steering Group to consider priorities for the current year, review the infrastructure across the group to inform the IT strategy and form a joint working group for the forthcoming General Data Protection Regulation;
* Apprenticeship Reforms Update: this report drew attention to the small amount of funding that colleges and providers have received to deliver apprenticeships to small employers between May and December 2017 and, while UCG is secure for the current year, the allocation could be 50% of forecast for next year and this is a national issue;
* An oral update on Disclosure and Barring Service Checks: these are in progress.

The Committee requested that the people aspect of the merger should be reported on at the next meeting.

Members discussed the different approaches adopted by the Corporations of CNWL and CWC in relation to the reporting of Committee business. It was agreed that minutes of Committee meetings would be presented at Corporation meetings.

The Chair stated that consideration was being given to the potential for paperless meetings in future.

7. Appointment of Student Members

The Corporation approved the appointment of Jayanne Davis and Omar Zouine as Student Governors, who will serve as members of the Teaching, Learning and Skills Committee.

8. Election of Vice Chair(s)

The Clerk outlined the closing date for nominations for the role(s) of Vice Chair and reminded Members that the election of Vice Chairs would take place following the Strategy Day on Saturday, 14 October 2017.

9. Policies for approval

Discussion took place concerning the Supply Chain Fees and Charges Policy and the way in which it links to safeguarding policies and procedures when the provider is a subcontractor as this was not stated in the Policy. It was reported that:

- There is a legal requirement for subcontractors to report issues;
- Subcontractors are subject to the college’s procedures;
- The college audits every subcontractor: safeguarding forms part of this and the subcontractors must assure the college that their procedures are robust.

The Corporation noted the requirement for the organisation to have a Supply Chain Fees and Charges Policy in place and, upon review, agreed that the Policy is adequate.
CONFIRMED MINUTES

After due consideration, the Corporation approved the following:

- The Supply Chain Fees and Charges Policy, on the recommendation of the Finance and General Purposes Committee;
- The Conflicts of Interest Policy, on the recommendation of the Search and Governance Committee, which all Members would be required to sign;
