Freedom of Information Policy

Introduction

1. This policy is in accordance with the requirements of the Freedom of Information Act 2000. It sets out the College's arrangements for making information available to the public under its publication scheme and in dealing with requests for information.
2. The publication scheme follows the Definition Document for Colleges of Further Education 2013 published by the Information Commissioner's Office. This sets out the type of information the College is expected to provide to meet these requirements.
3. The Freedom of Information Act 2000 (FOIA) came into force in the UK on 1 January 2005 and provides individuals or organisations with the right to request information held by a public authority. The public authority must tell the applicant whether it holds the information requested and would normally supply the information, in the requested format, within 20 working days. The purpose of the FOIA is to promote greater openness by public authorities, which includes Further Education Colleges.
4. This policy sets out the process for making a request for information and the publication scheme is at Annex A.

How to access information?

5. United Colleges Group will make available information it holds, whether listed or not under the publication scheme, unless it is not available under one or more of the exemptions set out under the FOIA. Documents that are routinely available to the public are included in the Publication Scheme. Some documents which are part of the scheme are published in electronic format on the individual college websites or the UCG website.

<https://www.cnwl.ac.uk/>

<https://www.cwc.ac.uk/>

<https://www.ucg.ac.uk/>

6. Other documents are available on request, and can be provided in either electronic or hard copy. These are listed in the Publication Scheme together with any fees payable (see below).
7. If the information being sought is not listed in the Publication Scheme, the information can still be requested under the FOIA. Requests must be made in writing, including by email. The requester must provide their name and address and must clearly state the information being requested, and the desired format. It is not necessary for the reason for the request to be disclosed. A Freedom of Information Request Form is included in this policy at Annex B. This is intended to assist requestors of information but it is not mandatory for it to be used.
8. In responding to requests for information, the Group will confirm the request has been received and whether the information is held. Should the requested information be exempt, the requestor will be informed and advised of the exemption that has been applied.
9. The Group will normally reply to requests for information within 20 working days as set out under the FOIA. However, an extension to this may be necessary if the information may be

exempt under a qualified exemption and require a public interest test. The requestor will be kept informed of any extension and be given an estimate of the date when a response will be provided.

Fees

10. Printed information on courses and services offered, and advertised jobs by the Group is available free of charge. The Group reserves the right to charge a fee for responding to any freedom of information requests. This will be consistent with guidance from the Information Commissioner's Office and would cover disproportionate administrative or printing costs. The Group will inform the requestor if a fee is likely and the level of the fee.

11. Requests for information should be addressed to:

Freedom of Information Officer
Director of Governance
United Colleges Group
City of Westminster College
Paddington Green
London W2 1NB

Email: zoe.lawrence@cw.ac.uk

12. Complaints about how information requests are dealt with should be addressed to:

Chief Executive Officer
United Colleges Group
City of Westminster College
Paddington Green
London W2 1NB

Email: nick.bell@cw.ac.uk

13. The Group will aim to fulfil all request for information in line with the requirements of this policy. However, if the Group is unable to resolve a complaint the requestor can write to the Information Commissioner, which is an independent body which oversees the implementation of the FOIA. The address of the Information Commissioner is:

Information Commissioner
Wycliffe House, Water Lane
Wilmslow, Cheshire
SK9 5AF

14. The Director of Governance is responsible for reviewing and updating this policy which will be approved by the Corporation on recommendation of the Audit Committee. This policy will be reviewed on a bi-annual basis.
